

LET'S EXPLORE

Nel corso dell'anno scolastico appena concluso, 2018/19, gli alunni della classe 5^A del plesso G. Lombardo Radice hanno vissuto momenti di interscambio culturale con i paesi membri di E-Twinning attraverso il progetto Let's explore con la partecipazione di due scuole della Turchia, una scuola della Spagna, una scuola della Polonia.

Insieme, hanno lavorato secondo itinerari a cadenza mensile:

November: Introducing themselves (video, photo, presentation, drawing and writing). Preparing a logo (logo design contest)

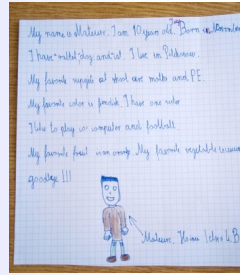

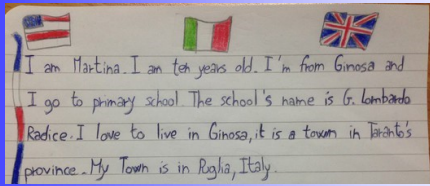

December: Learning basic greeting in partner countries' languages (Video, poster, chat) exchanging Christmas cards and Christmas traditions.

January: Learning national symbols, flags, famous places, food (Recipe), people, days... (Learning a song or a poem)

February: Everyday life (differences and similarities), school subjects, school and after school routine school introductions from pupils.

March: Weather and clothes for different seasons

April: Sports and leisure time activities.

May: Presenting products, singing songs and poems. Preparing a final product.
